

The Best Clay Target Sports Facility in the Texas Panhandle

ATTENTION annual and life members,

New dates have been set for a clinic at the Amarillo Gun Club with one of our premier Texas Shooters. Mark your Calendars for May 19th and 20th at 9:00 AM. This is your chance to become a better trap shooter. Gary Sherrod is donating this clinic to members of the Amarillo Gun Club. As a member your only cost will be \$6.00 per round, including tax, and your ammo. Gary has shot over 490,000 registered ATA targets, is a nine time All American, a AAA-27-AAA shooter, and past president of the Amateur Trapshooting Association (ATA), has broken six 100 straights from the 27 yard line. He also holds the record for being the oldest person to break a 100 from the 27 at the grand, which he accomplished two years ago at age 72. This August in Sparta, Illinois, at the Grand American Gary will be inducted into the ATA Hall of Fame. Don't miss this opportunity.

Thanks,

Bill
